hey guys my name is simon and ive just built a website its called table tennis table shop and could just please check it out and tell me what you think [www.tabletennistableshop.co.uk](http://www.tabletennistableshop.co.uk) just reply bellow saying if i should add or change anything i know i havnt got like blades and rubber and things like that yet we are adding them soon but so far what should i add or remove

[www.tabletennistableshop.co.uk](http://www.tabletennistableshop.co.uk)

thanks, simon.
